SaveSURGE.org Local Petition Rules:

1. If you are a student and planning to collect signatures at your school, please get permission before doing so!
2. Please make sure that all signatures are authentic. Do not allow someone to sign the petition more than once, this will hurt our chances of bringing SURGE back.
3. If you are under 18 years of age, please get your parents permission before you collect signatures.
4. If you are under 18 years of age, DO NOT collect signatures in an unfamiliar area by yourself (actually it's not a good idea for people of any age to do this). Please have a parent or guardian with you at all times.
5. We recommend that you DO NOT solicit signatures door to door. Please respect people's right to privacy.
6. Please act legally and responsibly. SaveSURGE.org cannot be held liable for your actions.
